The activities undertaken by a Men's Shed cover everything from A to Z and are limited only by the imagination of its members. Men's Sheds are not affiliated to any political or religious grouping and are non-profit. New Pilgrim Path Website of the Week: "Original goodness is our first nature, it is the first gift of life to all. Original sin is our second nature, not original at all! Reas the birth poem in the first chapter of the Bible. It's all about the divine goodness in which the world is set. Each day of creation in the poem is good. Light is good. Dark is good. Sea is good. Wild things are good. Every living thing that moves on the face of the earth is very good." These words are from an uplifting, engaging and deeply human talk by the late David Wood, Anglican priest and ambassador for Christian meditation. Listen to his talk at www.NewPilgrimPath.ie
